

C60: See all of today's events using the week range button

Type	Priority	Estimate	References
Other	Medium	None	None

Steps

1. Point your browser to <http://www.deanza.edu/eventscalendar>
2. **All** must be selected as the category
3. Locate the week drop down on the top section
4. Select the week range for today, if not already selected
5. Click the "Week" button
6. Click today's date in one of the columns.

Expected Result

User is taken to a link of today's schedule with a list of events
